

The Chair, Board, Members, friends and staff of The Alliance for Forgotten Australians are deeply saddened by the death of Anthony Foster. We extend our love, sympathy and thoughts to Chrissie Foster and her family.

With Chrissie by his side, Anthony campaigned for many years for justice for the survivors of abuse. He did so tirelessly; with great dignity, poise and determination. For many, he will always be a hero. For many, he was an inspiration. For the Alliance for Forgotten Australians, he was a true friend.

Vale Anthony.
